Membership Extension Notice to I.A.W.A. Members

At the IAWA Board meeting dated 11/08/2020 it was decided that more assistance was needed for clubs and individual members during this pandemic. We have listed a number of advisories for clubs to help get them back to training, to contribute to the advice and information it was also decided that;

- Individual memberships that were renewed during the period January 2020 to July 2020 will be extended automatically by one year.
- Club Affiliation that was renewed during the period January 2020 to July 2020 will automatically be extended by six months

We hope that this gesture will compensate for the loss of activity during 2020

Stay Safe,

The Board

I.A.W.A.
